A MESSAGE FROM THE PRESIDENT

Here we are going into the 1977 State Convention and plans are now nearly firm for the activity. One of the main features is an honorary reception for the Charter Members in our organization, the Iowa Numismatic Association. This event is planned by members of the Des Moines Coin Club. Anybody who knows of Charter Members (that is, members who joined at the first meeting in 1938 in Iowa City) should contact any of the Board members. (The Officers and Board members are listed with addresses in THE COLLECTOR.) The names of the known Charter Members have been distributed to the Board representative of each district; however, we must not omit any. The reception being planned in their honor will be held in Des Moines at the State Convention this October 1 and 2. Details have not been established thus far, but they will be published in a future Bulletin. Let us support the Charter Members and give them something to remember at the Show this fall. When the idea was suggested, I found it very desirable. I hope all of you do, too. Let's give these people, who gave us the I. N. A., a big THANKS.

John Kelso

From the Secretary's desk-----

In this issue, you will find the names of all the Charter Members of our organization. It was interesting to see, in those days, you had to list your organization membership and your occupation, plus have a proposer and a voucher. The occupations listed are as varied then as today --farm hand, teacher, housewife, insurance man, etc. Their specialties in numismatics were as wide-ranging, also, as ours are today.

I am anxiously awaiting the drawings and designs from you people for our contest of a design to be put on the reverse of our Medal to commemorate our 40th anniversary. These will be judged at the State Convention in Des

Moines, but must be at my desk by September 1st. So let's get those designs out of your thoughts and down on paper and sent to me.

I hope your Club's annual Shows were successful this past year. I would like to have the time and chance to visit each one in the State, and maybe will get to more of them now that our youngest son has graduated from High School.

I hope you have a good summer, and I will be looking for those designs from you, and I hope to see you at the State Show in October.

Your Secretary-Treasurer,

JoAnn Peters

What can I say? I was, and still am, completely overwhelmed. Thank you, Don, for the kind words.

Whatever happened to National Coin Week? Send me your ideas, those you put to work and those you intended to, and never got around to. Maybe we can get some good things going before next April rolls around. This is one way we can get our hobby before the public, and bolster our membership a little. Remember, first you have to get their attention, and a bit of publicity in the various banks, schools, and other public places is a good starter.

A note from the Secretary of the Cedar Rapids Coin Club reports a successful Show in that city on March 5 and 6. Also, he reminds us, while vacationing, to take the opportunity to visit the headquarters of the American Numismatic Association in Colorado Springs. Or if your travels take you South, the HARRY TRUMAN LIBRARY AND MUSEUM in Independence, Missouri, would be well worth your time, as it houses a sizeable coin collection.

The Club voted to endorse the nominations to the A.N.A. Board of Governors, Chuck O'Donnell and Kurt Krueger. A short auction was called by Art Nelson.

We have a guest editorial ---

Dear IFA Members:

At the recent Central States Numismatic Society convention in Milwaukee, an honor was bestowed upon one of our Iowa members and workers that we should be proud of and recognize.

'....having been a leader in local, state, and regional numismatic organizations, and serving the Central States Numismatic Society as an exhibitor, advisor for conventions, on committees and as Secretary-Treasurer and having advanced the science of numismatics in general by initiative and example, therefore be it resolved by committee, with the approval of the C.S.N.S. Board of Governors that its highest honor, the Medal of Merit, be awarded to Marjorie M. Owen.'

So reads the Central States award presented to our own GILLETIN Editor and Iowa Numismatic Association board member. It was an honor to be present at the Awards banquet with such an award going to a good friend and fellow Iowa numismatist. I'm sure others from the Hawkeye State in attendance felt the same way. Nice going, Marge!

collectors and a dealer, held a seminar on coin collecting in one of the local schools, during that week. Emphasis was on starting a coin or token collection, grading, display and the mounting of coins. That is one idea that could be used in other places. Let's have some others from you people.

I have a copy of the Bulletin sent to the members of Florida United Numismatists, with a paragraph that I think bears copying in our Bulletin--- 'I NEED articles, news items, photographs, fillers...ANYTHING! If you think I can fill an issue by myself, you're RIGHT! (I'm not sure I could) But I'm NOT going to do it.. this is YOUR magazine, so let me have your share of the effort required to put together an issue.'

"Nuff said?

I was privileged to see the copy of the History of the Iowa Numismatic Society recently. In fact, JoAnn gave it to me to read at one of the Spring Shows, with strict instructions to return it and not lose it. Some of my good friends "sneaked" it away and had a copy made for me. I'm going to quote a part of it to you, and if you are really interested, let me know, and I'll try to get the rest of it in a future Bulletin.

"Organizational Convention - June, 19, 1938

The Iowa Numismatic Association was the first state numismatic organization made up of individual members. It was formed June 19, 1938 at Iowa City, Iowa. During that initial year of 1938, important steps were taken and rules laid down which formed the basis of this successful organization.

The Hotel Jefferson in Iowa City was host to the first meeting. Ted R. Hammer of Burlington, Iowa, presided and Earl Cole of Des Moines acted as secretary. Both were the District Secretaries of the A.N.A. for Iowa, and had arranged this meeting through the co-operation of the Ames Numismatic Society and the Quad City, Des Moines, Cornbelt, and Muscatine Coin Clubs.

J. Henri Ripstra, A.N.A. President, said that there were more new collectors in Iowa than any other state. He urged stimulation of interest among junior coin collectors and foster formation of junior clubs. He advised the collectors to be satisfied with a small start. To maintain good domestic relations, he told the men to be frank with their wives and tell them what was paid for coins... (The ladies, who had been invited to accompany their husbands, were almost forgotten. The men were so busy with formation of the new organization and the auction that preparations for bridge and other diversions for the ladies were not set up. This situation was corrected at the next meeting in October). (See, we have come a long way!).

Lee Hewitt, publisher of Numismatic Scrapbook, recommended formation of a state organization. He said his magazine enjoyed a large circulation in Iowa and invited collectors' contributions of articles.

E. Vernon Sheldon, secretary of the Chicago Coin Club and candidate for the secretaryship of the A.N.A., expressed a desire that the Midwestern states eventually hold a joint convention.

-----  
That is just a small introductory part of the document. Find the whole thing very fascinating, and would like to share it with you. Hope some of you will find time to let me know your feelings on this.
